

Bricks Provided by
That's My Brick!®

Adept Engraving LLC has been working with thousands of organizations throughout the country, helping them to raise funds for various causes through That's My Brick!® Fundraisers. We offer personalized bricks to further the success of your organization. Our bricks are great for plazas, memorials, walkways, and anywhere else you use bricks! Show your support by personalizing a brick today!

The Marking Process

That's My Brick![®] uses a patented, laser-based marking process that produces a layer of black, fused glass on any color surface of the brick or tile. The marks are flush with the surface of the brick or tile, which means less maintenance and no chance of wear-based damage.

All samples passed each of the ASTM-specified test conditions (Freeze/Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that bricks marked with our process and installed properly in your project will last longer than our lifetimes.

A Little About Our Fundraiser

The Olmsted Historical Society, a non-profit organization dedicated to the preservation of our historical roots, is embarking on another ambitious project – building a 19th century schoolhouse in Frostville Village. A schoolhouse will enhance Frostville's depiction of village life in the Olmsted area during the middle 1800's. Our mission is to provide educational programs in the schoolhouse for schools, children and adults.

The purchase of a personalized engraved brick for our schoolhouse walkway (see enclosed brochure for instructions) is the perfect way to become a part of our endeavor. We hope to break ground this fall. Your purchase of a brick will permanently be memorialized in our walkway to the schoolhouse with your name, message, or memory of a loved one. With a monetary donation of \$100 or more, you will be invited to a private reception and tour of the schoolhouse.

*We appreciate your donation and
are honored by your generosity.*

Thank you!
